Class Discontinuation

Infinite Music™ reserves the right to discontinue a student at any time for failing to meet our Attendance Policy (see below), non-payment of fees, or breaking the Student Code of Conduct (see below). No refund will be given. If the student is discontinued for non-payment of fees, he or she may enroll again in the next session after the account balance is paid in full. If discontinued due to inconsistent attendance, the student may enroll again for the next session and eligibility for tuition assistance will not be affected. If discontinued due to failure to follow the Student Code of Conduct, future enrollments will be determined on a case-by-case basis.

Classes Canceled for Low Enrollment

Infinite Music™ classes must meet minimum student enrollment. Classes that do not reach the minimum threshold before session begins will be canceled and students will receive a credit for a future session.

Attendance Policy

- Students must pay for all lessons in advance of the course, regardless of attendance.
- Unfortunately, due to schedule constraints, Infinite Music™ is unable to reschedule missed classes.
- Three absences out of four consecutive classes are grounds for being withdrawn from the class without a refund for the remainder of the term.
- Students arriving more than 25 minutes past the start time for their class will be marked absent and that absence will be counted toward the three absences policy noted above.

No Withdrawals, Refunds Or Credits

Due to program constraints, Infinite Music™ is not able to offer any withdrawals, refunds, or credits.
