VOLUNTEER TEA

In appreciation of Del Mar's many wonderful volunteers, a yummy breakfast will be served in the school library on **Friday, February 15th from 7:30-8:15am**. Come let the teachers and staff show you how grateful they are for your service! *Childcare will be provided for school-age children from 7:30-8:15am on the playground.*

DENTAL SCREENING

As part of our school health program, a volunteer dentist from the Central Coast Dental Society will provide dental screenings at your child's school. We will be screening students during the months of January and February. Our dental screening date this year is **Wednesday, February 13th**.

The dental screening consists of a simple visual inspection of your child's teeth and will not involve the use of x-rays or other dental equipment. This screening does not replace an in-office dental examination by your family dentist.

A letter will be sent home only if the screening identifies a potential dental problem.

If you DO NOT want to have your child screened, please notify his/her teacher with a note for the nurse.

DEL MAR CHILDREN'S CLOSET

Our front office keeps a supply of clothing for students in need of a change of clothes during the school day. If you have any gently used clothing that you would like to donate, we are in need of :

LANDSCAPE ARCHITECT NEEDED

Del Mar has recently had some improvement work done on the back side of our science lab, and we are now ready to move forward with installing a garden in that area. We have ideas about creating a space that includes a labyrinth, friendship bench, and places for

students to refresh when they need a break. We are in need of a landscape architect to help us with the design. Please contact us if you or someone you know could help us with this project. Thank you for supporting the wellbeing of our students!
