Local Control Accountability (LCAP) Survey

All school districts in California are required to develop a three-year [Local Control Accountability Plan \(LCAP\)](#) that describes how state funds will be used to improve student academic achievement. The LCAP must incorporate how the district is spending its supplementary funds, 4.5 million dollars, to meet the needs of students with greater challenges, including English learners, socio-economically disadvantaged students, and foster/homeless youth. In San Luis Coastal Unified School District (SLCUSD), we have constructed an LCAP that takes those supplementary funds along with general fund dollars (federal, state, and local) to implement five focus areas established by our Board of Trustees. The overall LCAP budget is approximately 6 million dollars out of our 92 million dollar budget. Engaging parents, students, community members, and school employees in developing, reviewing, and supporting implementation of the LCAP is critical to its success.

Please take a few minutes to complete the [LCAP Survey](#). We value and appreciate the input from parents, staff, and community. The feedback will be used to revise our LCAP for 2018-2019. **The LCAP Survey will be open until March 23rd.**

DIGITAL CITIZENSHIP FAMILY TIP FOR THE MONTH

Greetings Del Mar Families,

Text messaging, DM's, and chat rooms are just a few of the many ways that people are digitally interacting these days. While these digital interactions can be a convenient way to communicate and a fun way for kids to check-in with their friends, they can also be used in a negative manner. Cyberbullying is a serious and potentially very harmful aspect of the digital world. By increasing our awareness of the possibility of cyberbullying, we can help to prepare our children with how to deal with this very real form of bullying. This month's Family Tip Sheet, [Cyberbullying](#), will give you an idea as to what it means to be cyberbullied, how to minimize the potential for being cyberbullied, as well as what to do if you suspect cyberbullying. Thank you for taking a couple of minutes to read the tips and to help keep your child safe in the digital world.

PLEASE PROTECT YOUR BELONGINGS

We want to remind you to always be sure to lock your car, bike, and scooter when you are on campus. Please protect your belongings by keeping them locked up.

CONNECT BE WELL

Hi, we're Ana and Kerri. We are parents with children in the SLCUSD school system and we would like to share a local offering of our research. As parents, the best we can do is accept

and love our imperfect selves while supporting each other in the process. We write as a way of helping our community connect and create dialogue between parents, students, and our community. Together, we hope to create a culture of acceptance, collaborate and learn along the way, and continue to dialogue with each other. **Connectbewell.org**
